

I'll Take You Home Tonight by Florian Tristan and the Garage Band

Does this feel wrong,
Does this feel right,
I think I know but,
Does he know you're here tonight,
'Cause I'm ready for a fight.

He hates your clothes,
That you show skin,
Talk like an angel,
Dance like a sin,
And I'm falling in.

You really think that you still have all the control,
But after my poisoned touch girl you lost it all.

Refrain:

So close to feeling something,
That I just don't want at all,
But there's only one thing that can make me feel right
I'll take you home tonight.

It wasn't planned,
But nights like this,
Give feelings that you,
Just can't resist,
So now you're on my list.

You really think that you still have all the control,
But after my poisoned touch girl you lost it all.

Refrain:

So close to feeling something,
That I just don't want at all,
But there's only one thing that can make me feel right
I'll take you home tonight.

So close to feeling something,
That I just don't want at all,
But there's only one thing that can make me feel right
I'll take you home tonight.
