

L.O.V.E. by Florian Tristan and the Garage Band

On this road you're not alone,
I'll take you home,
So take my hand.

Everything will be alright,
If you stay by my side,
So don't let go.

Refrain:

I may not be perfect,
But I guess no-one is,
L.O.V.E.,
Forever you and me.

Girl please listen to my voice,
It remains your choice,
So please chose me.

Everything will be alright,
If you stay by my side,
So don't let go.

Refrain:

I may not be perfect,
But I guess no-one is,
L.O.V.E.,
Forever you and me.

I may not be perfect,
But I guess no-one is,
L.O.V.E.,
Forever you and me.
