

## On My Shoulder by Florian Tristan and the Garage Band

You always tried to change me,  
Guess you saw things that weren't there.  
I always thought that I was perfect.  
So I never cared.

You gave me so many chances,  
I can't even count them.  
I've been a big disappointment.  
So you've left me for him.

Who helps me now that you're gone,  
Who makes me a better man?

### **Refrain:**

I'm ready for a change,  
I'm ready to change,  
Even though I'm getting older,  
I still want you on my shoulder,  
I still need you on my shoulder.

All the times you slept in my bed,  
I never realized what I had.  
Oh you have loved me so much,  
Now I miss your touch.

Who helps me now that you're gone,  
Who makes me a better man?

### **Refrain:**

I'm ready for a change,  
I'm ready to change,  
Even though I'm getting older,  
I still want you on my shoulder,  
I still need you on my shoulder.

Who helps me now that you're gone,  
Who makes me a better man?

I'm ready for a change,  
I'm ready to change,  
Even though I'm getting older,  
I still want you on my shoulder,  
I still need you on my shoulder.

I'm ready for a change,  
I'm ready to change,  
Even though I'm getting older,  
I still want you on my shoulder,  
I still need you on my shoulder
