

## Right My Wrongs by Florian Tristan and the Garage Band

I've been wandering through the dark,  
Hoping to find the spark.

Maybe one day you'll lead me home,  
One day you'll right my wrong.

### **Refrain:**

And it's okay to hope,  
That someday she'll come home.  
Maybe someday she'll lead me home,  
Right my wrongs.

I've been searching just for you,  
Hoping you feel the same way too.

Maybe one day you'll be my home,  
One day you'll right wrong.

### **Refrain:**

It's okay to hope,  
That someday she'll come home.  
Maybe someday she'll lead me home,  
Right my wrongs.

It's okay to hope,  
That someday she'll come home.  
Maybe someday she'll lead me home,  
Right my wrongs.  
Right my wrongs.  
Right my wrongs
